The college follows a transparent grievance redressal policy. The grievance redressal cell is a statutory body and the details of the cell, with the names of the members are displayed in the college website. Regular meetings of the cell are held to discuss about the students grievances. The UGC Regulations regarding students grievance has also been uploaded in the college website. Grievances by the students can be dropped at the Grievance Redressal Box or they can be mailed either to the principal or the college email ID for redressal.

Principal forwards the grievances to the Grievance Redressal Cell, which suggest measures to redress student grievances. The college authority acts accordingly and students grievance is redressed.
