ANTI - RAGGING CELL

About

The College has an Anti-Ragging Cell, actively working under the Visakha Guidelines and the Anti-Ragging Act of 2005, to prevent any form of ragging within the college campus, be it physical, psychological or even sexual. There is an Anti-Ragging Squad as well, keeping constant watch over the campus, in order to ensure the prevention of ragging. Our college maintains 'Zero Tolerance' to any of such incidents. Ragging is a criminal offense and UGC has framed regulations on curbing the menace of ragging in higher educational institutions in order to prohibit, prevent and eliminate the scourge of ragging. Our College believes in a harmonious atmosphere, where our new students unhesitatingly participate in various activities including teaching-learning with the existing students. The UGC had recommended that the Universities/Colleges/ Institutes must have a committee and a separate cell to deal with issues of Anti ragging violence to evaluate, assist and support Higher Educational institutes to meet certain requirements which will be made mandatory in order to give effect to a policy of zero tolerance of anti-ragging violence. Our College follows the UGC rule to stop ragging in higher education institution.
