Agriculture ministerrules out repeal of 3 farm laws, says Govt ready to resumetalks on provisions

NEW DELHI, JUNE 18 / Union agriculture minister Narendra Singh Tomar today ruled out repealing the three new farm laws but said the government is ready to resume talks with protesting farmer unions on provisions of the legislation. The government and unions have held 11 rounds of talks, the last being on January 22, to break the deadlock and end the farmers' protest. Talks have not resumed following widespread farmer strikes during a tractor rally by protesting farmers on January 24. Thousands of farmers, mainly from Punjab, Haryana and western Uttar Pradesh, have been camping at Delhi's borders for more than six months in protest against the three laws that they say will end state procurement of crops at MSP. The Supreme Court has put on hold the implementation of the three laws till further orders, and set up a committee to look into the problems. Government of India is ready for talks with farmers. Except for repeal of the farm laws, unions want to talk on provisions of the Act even at midnight. Narendra Singh Tomar will welcome the agriculture minister's view in a video posted on his Twitter account. The Union minister, including Tomar and food minister Prakash Kadam, have held 11 rounds of talks with the protesting farmer unions in the last meeting on January 22. The government negotiations with it become more lively, confident as the unions separately rejected the Centre proposal of putting the laws on suspension. In the 11th round of talks held on January 20, the Centre had offered to suspend the laws for 1.5 years and form a joint committee to find final solutions, in return for protesting farmers going back to their respective homes from Delhi's borders. The three laws: The Farmers Produce Trade and Commerce (Promotion and Facilitation) Act, 2020; The Farmers (Empowerment and Protection) Agreement on Price Assurance and Farm Services Act, 2020; and The Essential Commodities (Amendment) Act, 2020, were passed by the Parliament in September last year. Farmer groups have alleged that these laws will end the mandi and MSP procurement systems and leave the farmers at the mercy of big corporations, even as the government has rejected those apprehensions as misplaced (PTI).

Calcutta HC to hear on June 24 Mamata's plea challenging Suwendu's election from Nandigram CM's counsel seeks reassignment of case to another bench

KOLKATA, JUNE 18 / The Calcutta High Court will hear on June 24 Chief Minister Mamata Banerjee's petition challenging the election of Leader of Opposition Suwendu Adhikari from Nandigram. The court earlier in the day refused to hear on the matter. The plea for declaring the election of Adhikari from Nandigram null and void came up for hearing before the court of Justice Kailash Chanda, who said the chief minister is required to be present on the 24th day as it was an election petition. The lawyer for Mamata said she will act in accordance with the law. Adhikari's election will be held on June 24, Justice Chanda directed. In the meantime, the Registrar High Court should file a report before the court as to whether the petition has been filed in conformity with the provisions of the Representation of the People Act, 1951. In her election petition, the Trinamool Congress expressed several BJP MLAs and Adhikari of committing

charge practices as a violation of order for the 127 of the Representatives of the People Act, 1951. Mamata also demanded the reassignment of the case to another bench. The Election Commission had last month declared Adhikari, the leader

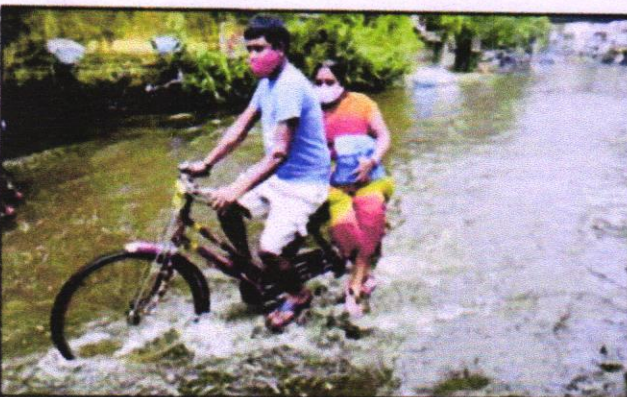

of the Opposition in the West Bengal assembly, winner of the Nandigram seat after a close competition with his former mentor Mamata. While the chief minister's request today went to the secretary of the court, Chief Justice of the Calcutta High

Court, seeking reassignment of her petition, to another bench. Chief Justice has been made aware that Justice Chanda, who is hearing her plea, was an active member of the BJP and once the adjudicator of the election petition will have political implications, it was argued that the matter be assigned to another judge by the Acting Chief Justice, who is the master of the court. The chief minister's lawyer also stated in the plea that she had objected to the confirmation of the Hon'ble Judge as a Permanent Judge of the Hon'ble High Court of Calcutta and was a Judge of the Hon'ble High Court, respectively there is likelihood of bias on the part of the Judge concerned. He urged that the plea be placed before the Acting Chief Justice forthwith, for necessary re-assignment of Election Petition as an oral plea procedure and a presumption of prejudice. Meanwhile, a notice is directed upon the present holder of the High Court over Justice Chanda being assigned to try the election petition. (PTI)

NEW DELHI, JUNE 18 / Amid a tussle between the Centre government and Twitter over the new IT rules, members of a parliamentary panel today strongly objected to Twitter India officials' observations that they think by their policy and regulations that they rule of land to supreme. According to sources, members of the parliamentary panel on Information Technology also asked Twitter why it should not be fined as it has been found 'violating' rules of the country. Earlier this month, the Centre issued a notice to Twitter stating it was found guilty of 'violating' rules with the new IT rules and warned that failure to adhere to the norms will lead to the platform being completely removed from the country under the IT Act. The Parliamentary Standing Committee on Information Technology, chaired by Congress leader Shashi Tharoor, had last week questioned Twitter over its compliance with the new IT rules and observation of Twitter India officials say there are several loopholes and were ambiguous. Tharoor said, 'They strongly objected to the observation of Twitter India officials that the rule of land to supreme, not your policy', sources said. Twitter and the Centre have been at loggerheads over several issues for the last few months (PTI).

BENGALURU, JUNE 18 /- A decision on further relaxing lockdown restrictions in the state after June 21 when the current curbs come to an end, will be taken on Saturday, Karnataka Chief Minister B S Yediyurappa said. "The situation is improving. There is also a possibility of a third wave in the future, but despite that we will have to give some relaxations. We will discuss it at a meeting tomorrow evening, and take a decision," Yediyurappa told reporters today. According to official sources, the government may announce relaxations in 11 districts where lockdown measures have continued, while further relaxations in terms of movement of

Some relaxations were announced in the remaining 19 districts from June 14, allowing essential shops to be open from 6 am to 2 pm, and movement of people till 7 pm. (PTI)

Asaram hospitalised, shifting to ayurved infructuous: Rajasthan

NEW DELHI, JUNE 18 /- The Rajasthan government on Friday told the Supreme Court that self-styled godman Asaram Babu, serving a life term in two rape cases, has been hospitalised and is in intensive care unit.

A bench of Justices Indira Banerjee and M R Shah was informed by senior advocate Manish Singhvi, appearing for Rajasthan, that Asaram's plea for transferring him to an ayurvedic centre near Haridwar in Uttarakhand has become infructuous as now he cannot be shifted due to his hospitalisation. Senior advocate Siddharth Luthra, appearing for Asaram, said his client has been admitted to the hospital and the court should call for the medical records. We don't know what his ailments are. This court should order for the calling of his medical records from the state as the hospital authorities will not give the details to them, Luthra said.

The bench said however that it was adjourning the matter till reopening of the court after the summer vacation. On June 8, the state government had told the top court that Asaram is fit and stable but trying to change the venue of his custody on the pretext of medical treatment. The state government had made this submission to the apex court in its reply to Asaram's fresh plea, seeking suspension of his sentence and interim bail to undergo treatment for various ailments at an ayurvedic centre near Haridwar in Uttarakhand. Asaram is

servicing varying jail term including life sentences in two sexual assault cases. The accused/petitioner with ulterior motives has been attempting to change the venue of his custody under the guise of medical treatment.

Such change, with due respect, is an abuse of the process of law, the state government had said in its affidavit. The accused is also deliberately delaying the pending trial at Gandhinagar as well as Jodhpur raising such pleas with mala fides whereas he is stable and fit, it had said. The state government has said Jodhpur is one of the rare centres, where both allopathic and ayurvedic treatments are available. It had also said Asaram was tested positive for COVID-19 on May 6 and was having mild symptoms, with low grade fever and was treated properly.

Apprehending threat to the life of family member, father of the child rape victim has also moved the top court opposing the plea of Asaram. The application for intervention has been filed in the pending petition of Asaram in which he has sought suspension of his sentence and interim bail to undergo treatment for various ailments at an Ayurvedic centre near Haridwar in Uttarakhand.

A Jodhpur court, on April 25, 2018, had sentenced Asaram to life in prison after finding him guilty of raping a teenage girl in his ashram in 2011. The plea filed through advocate Utsav Bains had
