Criterion 7 - Institutional Values and Best Practices

7.1.3 Quality audits on environment and energy regularly undertaken by the Institution.

Report on Environmental Promotional activities Conducted beyond the Campus. The college participates in many activities beyond the campus which are related to environmental issues. The NSS unit of the college organizes and participate different types of activities during the year. The college has also organized Environmental and Health Awareness camp in nearby Jibantala Aboitanik Prathamik Vidyalaya to make the children aware of climate and health related issues. An awareness programme (Pollution free village) was organized the college under Sarangabad Gram Panchayet in 2022. The programme had two objectives - one of which was to promote environmental awareness. Through the activities, participating teachers and students were encouraged for proper maintenance and preservation of the environment. Students are made aware of the environment challenges and instill environmental and societal resilience in order to attain inclusive sustainable development. Students are encouraged to uplift the quality of the living environment.
