A Brief Report on the Capacity Enhancement Courses

In this age of knowledge and skill, the young generation must accumulate enough skills to become well placed in the job market. The academic courses provide knowledge whereas the professional course, hands-on training, skill development practices etc. make a student proficient enough to be a part of the work force.

Jibantala Rokeya Mahavidyalaya has taken the initiative to impart a comprehensive and holistic training to the students to make them well prepared for their future. Hence the capacity-enhancement courses have been introduced beside the curriculum and training has been imparted by professionals.

The capacity-enhancement courses that have been introduced are:

Course	Resource Person
1. Yoga -	BIVA DAS DALAL, HOWRAMARI HIGH SCHOOL.
2. Self Defence-	SAIHIN NUR MAHAMMAD MOLLA, ALL INDIA SHITO-RYU SPORTS KARATE DO ASOCIATION.
3. Spoken English -	SUKANYA PAL, ASSISTANT PROFESSOR, JIBANTALA ROKEYA MAHAVIDYALAY.
5. Health and Hygiene-	SUKANYA PAL, ASSISTANT PROFESSOR, JIBANTALA ROKEYA MAHAVIDYALAY.
6. বাংলা ভাষার ব্যাকরণ চর্চা-	RAMKRISHNA MANDAL, ASSISTANT PROFESSOR, JIBANTALA ROKEYA MAHAVIDYALAY
7. Media, speaking and presentation-	SUKANYA PAL, ASSISTANT PROFESSOR, JIBANTALA ROKEYA MAHAVIDYALAY.
8. Ananda Utsab-	Students, Jibantala Rokeya Mahavidyalaya

Yoga, Self Defence & Karate are chosen for making the students healthy and strong in their body and mind. Self Defence & Karate help the girls in developing courage and self-confidence when they have to face many difficult situations.

English speaking skills and conversing fluently in English are one of the prerequisites needed for the job market in the present day. Most of the students of the college are first generation learners and come from suburban areas. The Spoken English course give them a great opportunity for preparing themselves for the future.

Date:

Soft Skill Development is the basic requirement of the present-day job market. The students from Jibantala Rokeya Mahavidyalaya mainly come from a humble background and hence they must be prepared for the professional as well as personal life where this skill development would help them a lot.

All the students of this college are not interested in joining some profession. Some of them are interested to do something of their own. The Tailoring Course can help the students in either becoming an entrepreneur or take up a parallel profession.

Media writing, Speaking and Presentation is such a course which is meant for any student. In the present days quite a large number of students are interested in media. Those who do not get the chance to study Journalism and Mass Communication, can avail this hands-on training and can get a chance to enter the media profession.

5.1.2 Report with photographs on ICT/computing skills enhancement programs

A Brief Report on ICT/Computing skills enhancement programs

Technology is the application of scientific knowledge to the practical aims of human life. In course of evolution technology played a major role in human social development. Technology awareness programs are designed to keep individuals, organizations, and communities informed about the latest trends, developments, and innovations in the technology sector. Staying aware of technological advancements is crucial for adapting to changes, making informed decisions, and remaining competitive. This college took initiatives to aware its students as well as faculties with recent technological development.

In today's digital age, effective cyber security is crucial for businesses and individuals alike. It provides numerous advantages in protecting sensitive data, safeguarding business reputation, and securing intellectual property. One of the primary advantages of implementing robust cyber security measures is the protection of sensitive data.

National Digital Library of India (NDLI) is a virtual repository of learning resources which is not just a repository with search/browse facilities but provides a host of services for the learner community. It is sponsored and mentored by Ministry of Education, Government of India, through its National Mission on Education through Information and Communication Technology (NMEICT).
