Add-On Course

Topic: “Information Literacy and Digital Literacy”

- ❖ **Course Co-Ordinator:** Baisakhi Das Kayal, Librarian, (HOD) Department of Library And Information Services
- ❖ **Importance of Information Literacy and Digital Literacy:** In today's digital age, the ability to find, evaluate, and use information effectively has become crucial. Information literacy is a fundamental skill that equips students with the tools they need to succeed academically and in their future endeavours. With the help of Information literacy students can find reliable and relevance information, evaluate information, learn the ethical use of information and effective research skill. Digital literacy is a combination of both technical and cognitive abilities in using information and communication technologies to create, evaluate, and share information. In this digital age it is one of our prime duties to literate our students digitally.
- ❖ **Objective of the Course:**
 - To develop the information literacy and Digital Literacy skills in learners.
 - To help to become independent learners.
 - To impart skill of Information Technology to common students.
 - World Wide Web has taken the new shape. Hence, there is need to promote information literacy and Digital Literacy.
 - To support the student who has lack of ability.
 - To help information professionals to develop, assess and improve their information literacy Programmes.
- ❖ **Number of Participants:** 25
