## **A Brief History of the Department**

History is a continuing and unending dialogue between the present and the past with the historian serving as a guide and interpreter. In our Department, we guide the students through interpretation of historical incidents in order to understand the socio-economic-political scenario of the present and at the same time help them to cherish a dream of a better future, The Department of History of Jibantala Rokeya Mahavidyalaya aptly follows the motto of creating sincere, prudent, responsible citizen with firm conviction towards "Satyameva Jayatte" and serve the society whole heartedly.

The Department of History of JibantalaRokeya Mahavidyalaya started its journey from 2010. The Department has a great influence in the field of education among the students of Jibantala and adjoining areas. This college is the one of the few institutions of higher studies in the Canning region of South 24 parganas and the Department of History is a pillar of strength and pride. Since its establishment, the Department has been offering Undergraduate (UG) Hons/Gen degree courses. A good number of students enroll in the History Department every year for graduation either in Honours or Pass. The teachers of this department have a good reputation for their quality teaching and good conduct among the local masses. Our Head of the Institution has brought glories to this Department by his visionary outlook and management skill. The Department initially started the general course in History in the year 2007 and after few years, the Department introduced the Honours course in the year 2010. Presently the Department has 2 Assistant Professors and 2 SACT teachers. Our students have secured high first class marks in the graduation level and enrolled under the best Universities of West Bengal to pursue Masters of Arts degree.

Despite the remoteness of the area as well as the drawback of the years lost to Covid 19,our Department maintains a positive outlook and is continuously in the pursuit to motivate students and their parents to improve the higher education scenario. We are hopeful that our Department will continue to produce a good number of history scholars, who will spread their knowledge everywhere and glorify our Department.

#### SWOC Analysis of the Department:

##### Strength:

- The Department has qualified competent and dedicated teaching staffs.
- Teacher and student have very good bonding and intercommunication.
- Teacher Student ratio is good.
- The academic performance of the students in the University examinations are appreciable.

### **Weakness:**

- Need to subscribe different national and international journals.
- The students don't have any exposure to the outside world, so it's a difficult job to teach them world politics and history of international relations.
- Syllabus is not job oriented.

### **Opportunity:**

- Students are obedient and eager to learn and ready to pursue higher studies.
- Administration and management are willing to help the teachers for the betterment of the Department.

### **Challenges:**

- The area is remote.
- Guardians are functionally illiterate that's why they don't have much ambition for their children. Their views are narrow and they are unwilling to send their children outside the locality for further study, even for job.
- Very little scope in deploying innovative teaching methods due to syllabus and time constraints.

### **Future plans of the department:**

- Introduction of Master Degree
  - The Department has a plan to conduct Departmental seminar at least twice in a year to allow the students to learn how to deliver lectures in front of learned persons.
  - The Department is also planning to organise a national, UGC sponsored seminar each year on any important socio-political-economic affair related topic, affecting the country at large.
  - Planning for educational tour for the better understanding of the students.
  - Preparing students for competitive exams like SSC, Net/SET, IAS/WBCS etc
- 
- We have a plan to publish a book edited by the Department of History, Jibantala Rokeya Mahavidyalaya from the papers gathered from the different seminar articles.
  - The Department has a plan to undertake research projects with the assistance of U.G.C and other funding agencies on important topics.

- Planning to create a movie club and show historical movies to the student for their clear conception about the historical incidents.
- The department will initiate English coaching for 6 months exclusively for the History Hons and Pass students. It is observed that one of the reasons for students not following higher education, is poor knowledge of English. Higher education demands a fairly good knowledge on English, but the village folks badly lack that. To combat this weakness we as a department are planning to set up the coaching centre in the college and teach the students how to write simple and correct English.
