E- Governance Policy

Jibantala Rokeya Mahavidyalaya has decided to automate various wings of the institution in an integrated manner to enhance transparency and clarity across different functions, including academics, administration, examinations, finance and accounting, and admissions.

The implementation of e-governance will cover the following areas:

- Administration
- Finance and Accounts
- Students' Admission and Support
- Examination

We are committed to embracing the "Digital India" initiative. Students' admissions are conducted entirely online, and scholarships are accessed through national and state portals. Salaries for full-time teachers and staff are processed via the HRMS portal, and all student transactions, including payments, are handled online. The college has an MoU with Vital Waste for effective e-waste management. The seminar room is equipped with ICT capabilities, including projectors in both the seminar room and the smart classroom. Teachers use ICT-enabled tools to facilitate the teaching and learning process. Jibantala Rokeya Mahavidyalaya is dedicated to delivering quality education to its students.
