active participation from the villagers. Villagers and school students shared their personal stories and experiences related to the issues discussed. These testimonials highlighted the real-life impact of gender discrimination and the positive changes that can occur with proper education and support

**Impact**:The programme was highly successful and had a significant impact on the village people. 40 villagers, including school students and other community members attended the programme. The attendees gained a deeper understanding of the importance of saving and educating girls. The interactive nature of the event fostered a sense of community and encouraged the villagers to take active steps in supporting the campaign.

**Conclusion**:The outreach programme on the Beti Bachao, Beti Padhao campaign, conducted by the Women's Cell of Jibantala Rokeya Mahavidyalaya in collaboration with the Saokat Molla Fan Club, was a resounding success. The event effectively raised awareness about the crucial issues of girl child protection and education, leaving a lasting impression on the community.
