Outreach Programme on “Safe Drive Campaign”

West Bengal Government has introduced ‘Safe Drive Save Life’ campaign to decrease the rate of street accidents.

Yesterday i.e. 8/7/2022 NSS unit, Jibantala Rokeya Mahavidyalaya in collaboration with Jibantala P.S of Canning-II Block had organised a campaigning programme and to make people aware of this government’s initiative. At 11 am the teachers and students went to the area of JC Bad area of jibantala, The teachers encouraged people to use helmets and obey traffic rules while driving. Besides, they made people aware of the casualties for not obeying traffic rules.

The “Importance of Safe Drive, Save Life” is about understanding how careful driving can save lives.

Reduces Accidents: Driving safely lowers the risk of accidents on the road.

Protects Lives: Careful driving helps to protect the lives of the driver, passengers, and others on the road.

Follows Traffic Rules: It involves obeying speed limits, traffic signs, and signals.

Avoids Distractions: Safe driving means not using phones or other distractions while driving.

Promotes Responsibility: It shows a sense of responsibility and care for the safety of others.

Prevents Injuries: By avoiding accidents, safe driving prevents potential injuries to people.

Encourages Respect for Law: It upholds the law and sets a good example for others.

Ensures Road Safety: Overall, it contributes to making the roads safer for everyone.
