বনমহোৎসব (Vanmahotsav)

On August 5, 2022, Jibantala Rokeya Mahavidyalaya successfully completed the event of **Banmahotsav** under the National Service Scheme at the college campus.

Trees are the foremost source for producing the oxygen in environment, they help to reduce the level of CO₂. As we all know that the whole world is facing the problem of global warming and to recover from such problem planting the trees is become one of the most important aspects today.

All the teaching and non-teaching staff of the college along with the students together planted more than 50 different types of saplings in the college premises.
