POLICY FOR WOMEN EMPOWERMENT

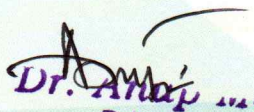

Empower Her, Elevate the World

Jibantala Rokeya Mahavidyalaya is dedicated to the motto "Towards an Empowered Mind" as the essence of its women empowerment policy. The institution aims to empower female students and faculty, enhance their understanding of issues related to women, and create a safe and supportive campus environment. It addresses practical issues related to the welfare and equal opportunities for women staff and students.

To tackle women's issues and problems, the institution focuses on creating awareness of their rights and duties. It also provides a platform for women to share their experiences and views regarding their status in society. Aiming at the intellectual and social upliftment of female students, the institution promotes and facilitates women empowerment through lectures, seminars, awareness programs, and welfare activities.

Objectives:

- Identify strong leadership and change-makers among women and girls and build their capacity.
- Promote a culture of respect and equality for women.
- Organize awareness programs on gender sensitization.
- Provide opportunities and programs for girls and women to be financially, mentally, and emotionally empowered, promoting their growth as individuals.
- Conduct seminars and workshops to impart knowledge of opportunities and tools available and to train women.
- Arrange seminars to create awareness of the economic, social, political, and legal rights of women.
- Organize activities to make women aware of their health, sports, and self-defence.
- Conduct various competitions to encourage artistic talents and creative thinking.
- Highlight the importance of health and hygiene.
